**As an HR manager, I want to match an open position's required skills with quiz topics so I can create a quiz relevant for candidate screening.**

**As a manager, I want to browse my existing quizzes so I can recall what I have in place and figure out if I can just reuse or update an existing quiz for the position I need now.**

**As an HR manager, I want to add custom questions to the quiz so we cover additional topics that are important to the functional manager.**

**As a functional manager, I want to send feedback on the screening quiz to the HR manager so I make sure I'm getting the best possible screening on candidates.**

**As an HR manager, I want to send a draft quiz to the the functional manager so I make sure I've covered the right topics on the screening quiz.**
